Dear Mr. Winston:

A heartfelt thank you goes out to you and your staff at West L.A. Music for putting on such a wonderful program for the families who come to West Los Angeles Regional Branch Library. I know that the children were younger than you were expecting, but you and your staff did a great job interacting with them and making them welcome and comfortable in your store. The demos of the different equipment, the hands-on opportunities for the children, and the impromptu sing-along were enjoyed by all and it looks like there are some budding musicians in our midst!

Please feel free to contact me if the library can help you in any way or if you are interested in a collaborative project in the future.

Sincerely,
